

The Children & Senior Resource Programs

Happy New Year!

We would like to start out by congratulating two of our donors who are being honored at our 24th Annual Fainer/Tauber, MD – Ventura County Community Awards.

These awards recognize outstanding community contributions by those directly involved in the delivery of health care in Ventura County who, through professional, charitable and public service activities, has demonstrated they exemplify Dr. David Fainer and Dr. Leo Tauber's ideals of generosity, excellence and integrity.

This year's event will be on Thursday, August 17, 2017, from 5:00-9:30 p.m., at Ancient Creek at Petersen Ranch, in Somis.

January 2017 Newsletter

Program Spotlight: Senior Dental & Vision Program

As we continue to focus on helping low-income, underserved children, through the CRP, we seem to forget about the seniors in their lives. These seniors suffer the same fate the children do; they do not have access to dental or vision care. They are also low-income, underserved, and are left to fend for themselves. Like many seniors, they put the needs of their children and grandchildren first, resulting in neglect to their own health. Seniors play a crucial part in the lives of their families. It is not fair for them to suffer or live in pain. We decided we need to reach out to these seniors, who are raising their grandchildren, and alleviate their pain, so they can be there to provide for their family.

VCMRF's goal is to provide dental and vision services to low-income, vulnerable children under the age of 18 and seniors 62 and older.

If you would like more information, or would like to make a referral, please contact VCMRF at 805-641-9800.

Michael McQuillan, OD 2017 Vision Care Specialist

Dr. McQuillan is a distinguished Camarillo optometrist and eye care professional, known as "The Irish Eye Dr.," who has been proudly serving the local and surrounding areas since St. Patrick's Day in 1980.

Joel Goldenberg, DDS 2017 Oral Health Specialist

Dr. Goldenberg provides comprehensive cosmetic, family and implant dentistry to Ventura, CA. Dr. Goldenberg started his dental practice after graduating from the USC School of Dentistry in 1983. He is committed to excellence in dentistry.

Making A Difference & Giving Hope

We ask for your urgent support to help us meet the challenge of treating vulnerable children and seniors that suffer from vision problems and dental disease. Please show your support by making a donation today!
